

Dates for your Diary

Return to School
Tuesday 5th January

Music Tuition will
start the first week
back

All Clubs will start
the first week back

Blakesley CE Primary

Dear Parents,

We are still 'buzzing' with the news that our school was rated as Number 2 in the county by The Telegraph last week (and Number 3 by The Times). We know that we have had a very successful couple of years but it is nice to have some recognition. Thank you for all your continued help and support—you trust us with your children every day and we want you to know that we always aim to do the best for each child.

What a fantastic trip to Airkix that Class 2 and Class 3 enjoyed this week. We really are flying! I hope you have been able to see at least some of the photos. We have had some very positive feedback. Where could be our next adventure?

Christmas concerts and parties are now over for another year but we've had fun this festive season. I think that Mrs Bathe needs an award for cooking more than 80 Christmas dinners for us on Thursday! It was wonderful to share our Christmas lunch and other festivities with the Pre-school and meet so many of our future children (hopefully) at an early stage.

We hope you have a wonderful, restful holiday. I would just like to wish all of you a Merry Christmas and Happy New Year from all of us here at Blakesley CE Primary.

Yours truly,

Lucy Burman

Hi Lucy,

I would like to take this opportunity to feedback to you on your schools visit to Airkix today...

Firstly, I sincerely hope that both the teachers and the children enjoyed the workshops, as well as the flight experience itself - we certainly enjoyed having them with us.

We host many Schools & Academies at our facility, but I was particularly impressed with the outstanding behaviour of your group.

All of the children were a delight to work with and I was impressed not only by the polite and diligent approach that they took to the team challenge of building wind powered vehicles, but also the intelligent responses and feedback given during the 'science-based' elements of the workshop itself.

They are a credit to Blakesley Primary and a fabulous representation of your School.

I would also like to add that the teachers and leaders of the group were very well prepared and a delight to work with, which in turn made our job as hosts exceptionally easy. They were not only supportive to the team at Airkix, but also to the pupils during the practical elements of the workshops. They too are a credit to you and were a delight to work with.

On behalf of everyone here at Airkix Indoor Skydiving, may I extend our thanks and pleasure at hosting Blakesley and we very much hope to see more of your pupils returning to enjoy our 'Wind Workshops'.

Kind regards,

Cydney Hughes

P.E. Kits—Please remember that
P.E.Kits should be in School every day
and it is important that all the items are
named

We have places available in all
year groups at present.
