

Dear Parents,

**Re: Hot Lunches – Reception September 2017**

Hopefully your child enjoyed their hot lunches on the induction days and would like to continue with them in September.

Our lunch provider is Dolce and our meals are expertly prepared and served by their Cook, Rachel Bathe.

To order I will need set up the system with your email address which will then generate an email to you giving you your login details and password. We suggest that you change the password to something more personal and memorable. Please check your junk mail box.

The site is then easy to navigate. You can register allergies your child may have; this will stop you being able to order anything with those ingredients. You will also have access to recipes.

Attached is the menu for next term.

Orders should be placed before 9am on the day the meal is required and payment made in advance. If your child is off sick or not in school for any other reason you will not be charged for the meal. If you know a meal is not required please cancel it so that food is not cooked and wasted. Meals can be booked as far as a term in advance.

If your child has not got a meal pre- ordered we will call you to confirm that a hot meal is required. We ensure that no child goes without a lunch.

If you should have any queries with regards to this matter please do not hesitate to contact us.

Yours faithfully,

Anne Carter
